

## Central Children’s Long- Term Ventilation Service Non-Ventilator Consumables List for Long-Term Ventilated Children

**PLEASE NOTE:**

This equipment list has been produced for guidance only. Information for a variety of suppliers is displayed here; therefore, some of these products appear more than once. Not all of these products will be required, please check the specific equipment required and the preferred supplier for the child under your care. This document is reviewed on a yearly basis and updated as necessary. The order codes are displayed for your guidance but may be subject to change. Please ensure you check you have the correct order information with the suppliers prior to placing your order. The Children’s Long-Term ventilation service will not be responsible for incorrect or inappropriate ordering of equipment.
